Automated bird repellent system

System and spare parts

AVIX Autonomic Mark II

The Autonomic basic model consists of the Motor Platform, Payload, Power Switch Module, Mains Power Adapter, and Flight Case.

Item code: 2922960200

EAN Code: 8719189382334

AVIX Autonomic Motor Platform

The accuracy of the AVIX Autonomic system depends on the functioning of the Motor Platform.

Item code: 2922960305

EAN Code: 8719189382358

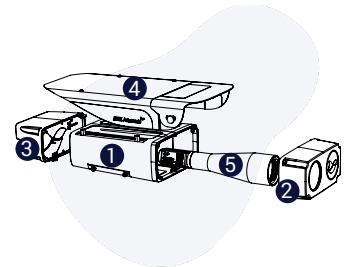

AVIX Autonomic Payload

The AVIX Autonomic payload consists of the Housing, Sun Shroud, Rear Cap, Front Cap and Light Module.

Item code: 2922960315

EAN Code: 8719189382402

Spare parts of the Payload

The payload consists out of multiple parts which can be ordered separately.

1. AVIX Autonomic Housing

Item code: 2922960312

EAN Code: 8719189382372

2. AVIX Autonomic Front Cap

Item code: 2922960310

EAN Code: 8719189382365

3. AVIX Autonomic Rear Cap

Item code: 2922960313

EAN Code: 8719189382389

4. AVIX Autonomic Sun Shroud

Item code: 2922960314

EAN Code: 8719189382396

5. AVIX Autonomic Light Module

Item code: 2922960300

EAN Code: 8719189382341

AVIX Autonomic Control Box

Consists of Mains Power Adapter, Emergency Stop, Status LED, Power Button.

United States

Item Code: 2922960180

EAN Code: 871918938282

Europe, the Middle East, and Africa

Item Code: 2922960181

EAN Code: 8719189382839

Australia

Item Code: 2922960182

EAN Code: 8719189382846

AVIX Autonomic Flight Case

A hard Flight Case for transporting the AVIX Autonomic safely.

Item code: 2922960155

EAN Code: 8719189382433

Automated bird repellent system

Mounting accessories

Horizontal Mounting Frame

Suitable for deployment in many different situations. Designed to provide maximum stability. Height: 64 cm.

Item code: 2922940102

EAN Code: 8719189382310

Adjustable Frame Extender

Extension kit for Horizontal Mounting Frame. Increase the height of the Horizontal Mounting Frame with respectively 40, 60 or 80 cm.

Item code: 2922940107

EAN Code: 8719189382273

Vertical Mounting Bracket

The Vertical Mounting Bracket is intended for providing a support for the AVIX Autonomic near vertical supporting structures, such as brick or concrete walls.

Item code: 2922940370

EAN Code: 8719189382327

Power Extension Cable (5m)

Extension cable between Mains Power Adapter and Power Switch Module or between Power Switch Module and AVIX Autonomic (connect max. 10 cables).

Item code: 2922940331

EAN Code: 8719189382457

Pole Top Mounting Bracket

Square mount to be used with standard 4x4 inch wooden post or 3.5 inch pipe.

Item code: 2922940263

EAN Code: 8719189382587

Horizontal Mounting Bracket

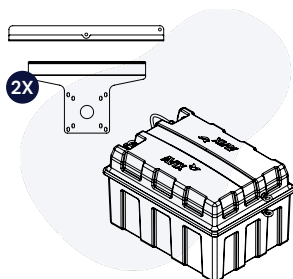

This universal mounting bracket can be used on a variety of structures.

Item code: 2922940261

EAN Code: 8719189382594

Automated bird repellent system

Solar accessories

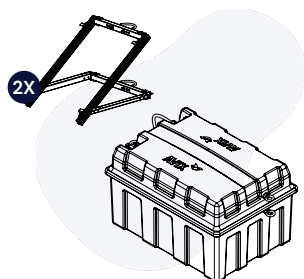

Solar Frame Kit**

Outside Service Area

- 1 x Solar Battery Box Kit (24V)
- 2 x Solar Panel Extension Cable (5m)
- 2 x Solar Panel Frame Brackets
- 2 x Power extension cables (5m)

Item code: 2922960253

EAN Code: 8719189382488

Solar Pole Kit**

Outside Service Area

- 1 x Solar Battery Box Kit (24V)
- 2 x Solar Panel Extension Cable (5m)
- 2 x Solar Panel Pole Brackets
- 2 x Power extension cables (5m)

Item code: 2922960254

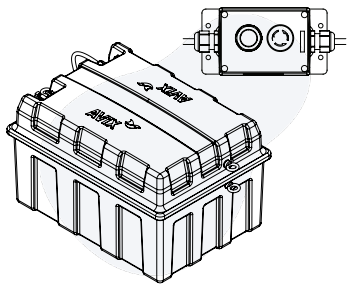

EAN Code: 8719189382495

* Availability may vary by distributor in certain markets.

** Due to transport restrictions on batteries and the vulnerability of solar panels during transport, these items are not included in the kit and need to be purchased locally by the customer.

Automated bird repellent system

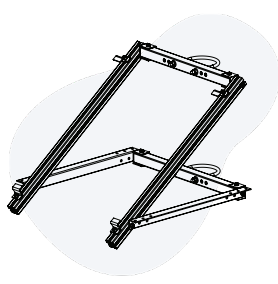

Spare parts for solar accessories

Solar Box Kit (24V)

This consists of one box that can fit two batteries including charge controllers and connectors, the batteries should be ordered separately or sourced locally. For this configuration, a Solar Control Box is also included to be used in place of the Control Box.

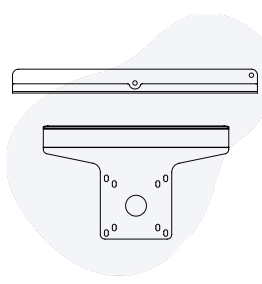

Item Code: 2922960356
EAN Code: 8719189382877

Solar Panel Pole Brackets

Brackets for mounting solar panels on a pole.

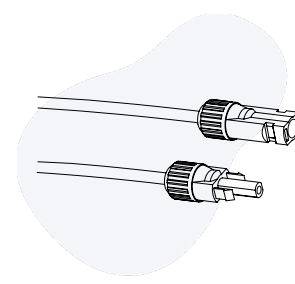

Item code: 2922960351
EAN Code: 8719189382518

Solar Panel Frame Brackets

Brackets for mounting solar panels to the Autonomic Mounting Frame.

Item code: 2922940212
EAN Code: 8719189382297

Solar Panel Extension Cable

Extension cables can be ordered per 5 meter, giving the ability to increase the distance between the solar panels and battery box, reaching distances up to 50 meter.

Item code: 2922940341
EAN Code: 8719189382549

Automated bird repellent system

Additional accessories

Laser Warning Sign

Size: 30 x 30 cm

Standard: English

**Other languages on request*

Item code: 2922940050

EAN Code: 2922940051

Laser Warning Sign Eyewear Required

Size: 30 x 30 cm

Standard: English

**Other languages on request*

Item code: 2922940051

EAN Code: 8719189382556

Laser Safety Glasses

Protective eye wear that filters out the laser frequency.

Item code: 2922940023

EAN Code: 8719189382037

Automated bird repellent system

Services

Programming

Programming or re-configuration by a certified installer.

Item code: 2922950000
EAN Code: -

Maintenance Visit

Preventive maintenance / technical assistance.

Item code: 2922950100
EAN Code: -

On site assessment & report

On site assessment in order to ensure maximum system effectiveness and safe deployment in safety critical situations.
Per day excl. travel costs

Item code: 2922950110
EAN Code: -

Manual bird repellent lasers

Products

Handheld

The Handheld has an output power of 100mW and is only suitable during less brighter light conditions, and smaller areas.

Package includes:

- 1 x Aiming Sight + Protection Cap
- 4 x RCR123a rechargeable batteries
- 1 x Screw cap
- 2 x Safety Keys
- 1 x Storage Case

Item code: 2922930000

EAN Code: 8717953229311

Handheld 500

The Handheld 500 is the top of the line in brightness. The laser source has an output power that is high enough to repel birds over long distances even during bright light conditions.

Package includes:

- 1 x Aiming Sight + Protection Cap
- 1 x Battery Charger
- 4 x RCR123A rechargeable Li-ion batteries
- 1 x Screw cap + 2 x Safety Keys
- 1 x Storage Case

Item code: 2922930110

EAN Code: 8717953229335

Handheld 500 HSS

The Handheld 500 HSS (also known as the Aerolaser Handheld) is designed for implementation at airports, since it is equipped with the patented Horizon Safety System.

Package includes:

- 1 x Aiming Sight + Protection Cap
- 1 x Battery Charger
- 4 x RCR123A rechargeable Li-ion batteries
- 1 x Screw cap + 2 x Safety Keys
- 1 x Storage Case

Item code: 3022930010

EAN Code: 3022930010

Manual bird repellent lasers

Spare parts

Aiming Sight for Handheld

The Aiming Sight makes it possible to accurately aim the Handheld and Handheld 500 at a desired target before activating the laser.

Item code: 2922930012

EAN Code: 8717953229465

Screw Cap + Safety Keys

To prevent the use of Handheld products by unauthorized personnel, the portable bird repellent lasers can be locked with this Screw Cap.

Item code: 2922940320

EAN Code: 8717953229496

Battery Charger

Battery charger suitable for rechargeable batteries of the Handheld lasers.

Item code: 2922920012

EAN Code: 8717953229502

Rechargeable RCR123A battery

2 x rechargeable RCR123A battery suitable for Handheld, Handheld 500 and Handheld 500 HSS.

Item code: 2922920024

EAN Code: 8719189382648

Manual bird repellent lasers

Aerolaser Services

Onsite Training

This training ensures correct use of the Handheld 500 HSS by the laser operator and knowledge on laser safety regulations.

Onsite Laser Awareness, Operator and Safety training
(1 day, excl. travel cost)

Item code: 3022932030
EAN Code: -

Analysis report

The analysis report includes a map of the airport indicating where the laser can be used safely.

Analysis and report including Safe Usage Laser Map of the airport
(1 day, excl. travel cost)

Item code: 3022932040
